**Please donate hurricane relief items
for families in Puerto Rico and school supplies for
Puerto Rican students coming to Orlando**

The people of Puerto Rico are in dire straits and there really is something we can do to help. We have partnered with AFT, Asociación de Maestros de Puerto Rico, and CASA to arrange that all of the supplies that we collect will be transported to Puerto Rico for distribution to those in need. We have also partnered with the Foundation for Orange County Public Schools to collect school supplies to fill backpacks for new students coming from Puerto Rico. **We must act quickly!**

Please bring all the donations you've collected to the CTA Office at the Marion Cannon Center for Advocacy, 1020 Webster Avenue, Orlando, FL 32804. Hours are Monday – Friday 8:00am – 6:00pm.

We will accept donations until we can fill a container. The donations will be transported to Jacksonville where they will be shipped to Asociación de Maestros de Puerto Rico, the AFT teacher union office in San Juan. These supplies will be immediately distributed to families in the city and in other areas of the island.

Please support our Puerto Rican sisters and brothers in Puerto Rico and the Puerto Rican students coming to our schools!
